**GARNET**
Warm red Mozambique garnet was highly prized in Ancient Egypt and Rome. Its blood-red shade resembles royalty and offers a less expensive alternative. In a lighter red hue, laced by varying shades of purple and pink, rhodolite garnet takes its name from the vivid blossoms of the mountain rhododendron.

**AMETHYST**
Royal, Bold, Vibrant.
From its earliest discovery, amethyst’s sumptuous shade has cast a spell that extends from ancient times to the present. It symbolizes royalty, passion, daring, and dreaminess.

**AQUAMARINE**
Icy Crisp, Glistening.
Named for the waters of Amazury, aquamarine excites a powerful allure. It draws its strength from the popularity of its pale blue hue, similar to the clear sky on a summery day. March’s birthstone promotes calm, spirituality, and mental clarity.

**DIAMOND**
Brilliance, Fire, Endurance.
Diamond is the gemstone for those who are born under Virgo and Libra as it bestows good luck and prosperity.

**EMERALD**
Lush, Untamed, Majestic.
The name emerald finds its root in a Sanskrit word, manikya, meaning the green of growing things. Emerald symbolizes vitality, honesty, and fidelity making it the perfect choice.

**PERIDOT**
Fresh, Energizing, Bright.
Called evening emerald in Ancient Egypt, the finest shades are a vivid green with a hint of gold. This lustrous emerald perpetually exerts its true splendor. August’s birthstone can heal a broken heart and bring good fortune.

**BLUE SAPPHIRE**
Deep, Intense, Tradition.
Sapphire’s breathtaking blues have captured our imagination and inspired designs. Ancient lore tells us that blue sapphire brought spiritual enlightenment, inner peace, wisdom, and insight.

**PINK TOURMALINE**
Powerful, Vivid, Energetic.
Feminine and sophisticated, many women choose this October birthstone regardless of their birth. It enhances awareness, love, and compassion.

**CITRINE**
Crisp, Bright, Warm.
Citrine’s sunny exuberance imparts joy, confidence, creativity, and prosperity. A member of the quartz family, natural citrine is surprisingly rare.

**BLUE ZIRCON**
Electric, Bright, Energetic.
Not to be confused with colic zircon, Blue Zircon is a beautiful, brilliant, and unique genuine gemstone that has been known since antiquity.
